

Your Strategic Partner in India

About Us

Established in 2013, MV Synergy Solutions is a service-oriented organization in the engineering industry that focuses on Customer Delight. Among other services, MV Synergy Solutions, specializes in Strategic Sourcing of Customized Metal, Plastic, Rubber & other special material components and 3rd Party Quality Assurance Inspection Services, with over three decades of on-field experience of our Founder.

We have a great team of Engineers & Executives in India and Counterparts in different regions of the world like Israel, US, Canada, Europe & Africa.

Vision

Achieve Customer Delight, make things happen in India for global buyers to gain sustainable exponential growth.

Mission

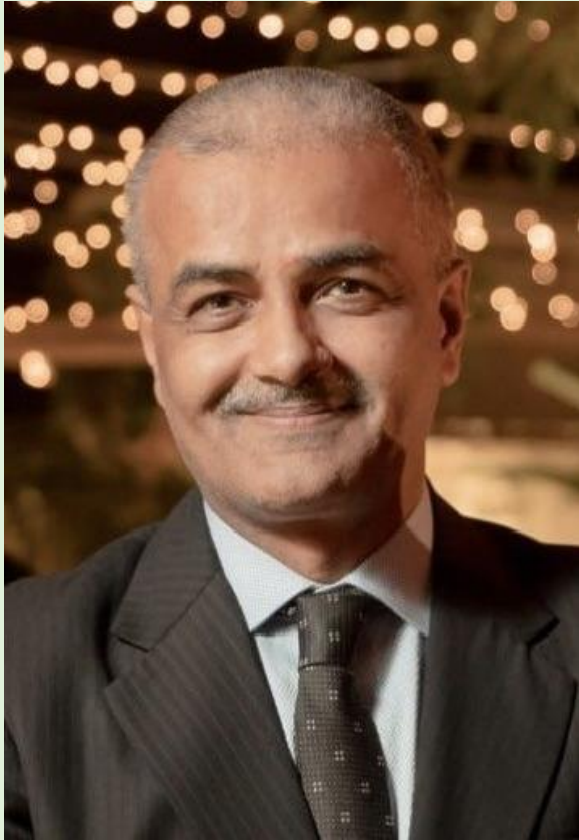

To deliver a seamless dealing experience with our value-added strategic services contributing to trust based Relationships, Quality, Cost & Delivery.

Values

Honour commitments with Service Oriented Attitude, being Professional, Transparent, Committed, Dependable with Timely Communication.

Ajit Nathvani

Founder & CEO

A global business development specialist and an entrepreneur at heart. MV Synergy Solutions has been built on his experience of over 3 decades in the industry and having travelled globally.

Customer Delight is the cornerstone of all his ventures and efforts. He believes in serving the customers implied needs and not just the stated needs.

Services

Strategic Sourcing

We specialize in sourcing of Customized Metal, Plastic, Rubber & other special material components from India.

3rd Party Quality Assurance Inspection

We provide 3rd Party Quality Assurance Inspection services and supplier audits based on the customer's requirement.

Supply Chain Management

We support global buyers in logistics from India based on their requirements.

Enabling Strategic Alliances

We enable strategic alliances like joint ventures, acquisitions, technology transfers, buy back agreements, etc.

Trouble Shooting

We help reach a WIN-WIN situation in any strained Buyer-Seller Relationship enabling business continuity and growth.

Product Development & Prototyping

We help buyers develop new products & reverse engineer an existing product from samples.

Testimonials

Yaki Richker
Founder, BOC, Israel

For the last 6 years I have been working with MVSS as a partner in my sourcing initiatives in India. The cooperation with MVSS enables fast and effective business development in Israel

Richard
Founder, ISH, Canada

We cannot say enough positive things about working with MVSS. They are professional, honest, resourceful and have always delivered on what they promised. We now have the confidence to import parts from India to meet our diverse product requirements in Canada and the US.

Veer Khare
Founder, VJ Sales, US

MVSS is a professional organization with excellent customer service. In addition, they have a wide variety of technical capabilities in communicating and resolving any issues. They have helped me expand business in the US by leveraging their capabilities.

Testimonials

Sunil K

Founder, Wild Planet, Portugal

MV Synergy has been very instrumental in helping us grow our business in Portugal. Their end to end sourcing solutions have been commendable. Thanks Ajit and the MVSS team for your support.

Himanshu N

CEO, Meraki Int., Madagascar

Thanks to MV Synergy, we've been able to streamline our sourcing and reduce costs, significantly.

Yash N

Director, S&D, India (Italy)

Each and every time that we've gotten our product inspection done from them for our orders from Italy, it has been nothing short of pure bliss. Their reporting, quality assurance and pro-active methods have proved to be useful and very efficient for my business.
